# Breaktime is your reliable source for Studying, Working and Immigrating to **CANADA**

Breaktime Immigration and Education Consulting Inc. represents more than 100 educational institutions across Canada. Our staff has been providing Educational Advice to more than 3000 students around the world since 2005.

Upon graduating in a professional program, students can integrate their new knowledge and skills, either back in their home countries or while remaining in Canada on a work visa. Most students apply for Permanent Residence status with the support of our team of Immigration Consultants.

# The ADVANTAGE of Breaktime

Breaktime is a Canadian company that can help you get established in this country either temporally or permanently. We are committed to help and advice our clients on how to come to Canada to Visit, Study, Work and Live.

With more than 20 years of experience as Educational Advisors, we can help you select the best academic program.

As Regulated Canadian Immigration Consultants, we will ensure that you can get your Visitor, Study and Work Permits, Canadian Permanent Residence and Citizenship for you and your family.
